

Spice up your winter with the Mount Nelson Hotel's three sensational offers

The Suite Life

It's akin to flying first class except you can run around the very spacious room, the bed is *much* bigger (and softer), the views are better, and you get to **enjoy a bottle of Cap Classique and sumptuous afternoon tea** in plush sofas.

And the best part: it is affordable at **R1 650 per person** sharing a one-bedroom suite, including breakfast.

The Epicure

What could be better than enjoying an aperitif in the alluring Planet Bar, toastily warm next to the roaring fire, followed by a soul-satisfying **five-course dinner with matching wines**, served in the lauded Planet Restaurant.

At R1 650 per person sharing a superior room, aperitif, dinner and breakfast are included.

The Spicy Life

A **couple's massage** with hot compresses to loosen tight, tired muscles and your very own blend of deeply relaxing aromatherapy essential oils allows you to enjoy your sojourn with all your senses. Later, spicy bath oils, fragrant candles and rose petals:

no mean treat at **R1 650 per person sharing** and includes a 60 minute massage for two and breakfast.
